The evening saw exciting entertainment which included the Dancecyprus Junior company performing on the helipad with music provided by the 2nd Battalion of the Royal Regiment of Fusiliers.

Later in the evening, guests enjoyed listening to members from the Cyprus

It was all in aid of raising funds for Dancecyprus autumn production 'The World of Diamantis' in collaboration with the Cyprus Symphony Orchestra.

The Founders of Dancecyprus aspire to provide a permanent, professional company to entertain audience and inspire dancers and choreographers to believe that they have a future in their own country. Dancecyprus is a registered charity.

Katerina Ker-Lindsay on behalf of the Dancecyprus Board said 'We warmly thank Major General and Mrs Richard Cripwell for their generosity and support, as well as all the British Services personnel who graciously gave their time in support of culture in Cyprus. We also extend our appreciation to Andreas Agathocleous from Andys Motors for generously sponsoring this event and all who offered prizes for the raffle'.
